RE: **Pay Item Revisions to ebs file only**
Contract ID: DN00268
County: Henderson
Letting Date: September 12, 2017

The above contract's ebs file has experienced the following revisions, so that the ebs file now matches the bid item sheet in the contract:

Lines # 0068 and 0069 have been removed.

Lines # 0023 and 0061 were revised to reflect the correctly formatted supplemental descriptions.

Line # 0033 was revised to designate the required type of Temporary Traffic Signal System, which is "Actuated" in the supplemental description.

Please access ebs addenda files on Bid Express®.

Please insert this letter into the addendum section of the proposal and sign the verification. Thank you for your attention to this matter.
